Health plans are offered by Banner Health and Aetna Health Plan Inc. (Banner|Aetna). Banner|Aetna is the brand name used for products and services provided by Banner Health and Aetna Health Insurance Company and Banner Health and Aetna Health Plan Inc. Health plans are offered by Banner Health and Aetna Health Plan Inc. (Banner|Aetna). Aetna Life Insurance Company and its affiliates, including Banner|Aetna, are part of the CVS Health family of companies. Banner|Aetna has sole financial responsibility for its own products.

Here is important disclosure information about our plans. It's followed by required content that varies by state.

We offer quality health plans

By following health plan accreditation standards of the National Committee for Quality Assurance (NCQA), we offer you quality health plans. Visit [Aetna.com/document-library/individuals-families-health-insurance/document-library/documents/2019Disclosures/NCQA-MED-Disclosures-FI-SI.pdf](https://www.aetna.com/document-library/individuals-families-health-insurance/document-library/documents/2019Disclosures/NCQA-MED-Disclosures-FI-SI.pdf) to learn more about how we meet the NCQA accreditation and standards. You can also call us at the number on your member ID card to ask for a printed copy.

Features of a health maintenance organization (HMO)-based individual plan

If you're a member, not all of the information in this document applies to your specific HMO-based individual plan. Most information applies to all plans, but some does not. For example, some plans may limit certain services, like one eye exam per year.

For some plans, you must personally bear all costs if you use health care or purchase drugs not authorized by your plan.

There's also information that may only apply to certain states. To be sure about which plan features apply to you, check your Summary of Benefits and Coverage plan documents. Can't find them? You can call Member Services to have a copy of your plan documents mailed to you.

This material is for information only and is not an offer to contract. An application must be completed to obtain coverage. Rates and benefits vary by location. Providers are independent contractors and not agents of Banner | Aetna. Provider participation may change without notice.

Not yet a member?

For help understanding how a certain medical plan works, review the plan's Summary of Benefits and Coverage document.

Avoid unexpected bills

To avoid a surprise bill, make sure you check your plan documents to see what's covered before you get health care. Also, make sure you get care from a provider who is part of your plan's network. This just makes sense because:

- We have negotiated lower rates for you
- Network doctors and hospitals won't bill you above our negotiated rates for covered services
- You have access to quality care from our national network

To find a network provider, sign in to BannerAetna.com and select "Find a Doctor" from the top menu bar to start your search.

Get a free printed directory

To get a free printed list of doctors and hospitals, call the toll-free number on your member ID card. If you're not yet a member, call [1-844-365-7374](tel:1-844-365-7374) (TTY: [711](tel:711)).

Choose a primary care physician (PCP)

Most HMO-based plans require you to select a PCP. You can change your PCP at any time. If it's an emergency, you don't have to call your PCP first.

Some cover your care at different levels, depending on whether you visit your chosen PCP, or if you go directly to any licensed doctor without seeing your PCP first. If you visit any licensed doctor without going to your PCP first, your out-of-pocket costs are often higher. Your PCP performs physical exams, order tests and screenings and will also refer you to a specialist when needed. If it's an emergency, you don't have to call your PCP first. You may change your PCP at any time.

Women who are members may choose an obstetrician-gynecologist (Ob/Gyn) as their PCP. An Ob/Gyn acting as a PCP will provide the same services and follow the same guidelines as any other PCP. See your plan documents for details.

You may also be able to choose a pediatrician for your child(ren)'s PCP. See your plan documents for details.

Getting approval for some services

Usually, we will pay for care only if we have given an approval before you get it. Your plan documents list all the services that require you to get prior approval.

First, we check to see that you're still a member. And we make sure the service is medically necessary for your condition. We also make sure the service and place requested to perform the service are cost effective. Our decisions are based solely on the existence of coverage and the appropriateness of care and service, using nationally recognized guidelines. We may suggest a different treatment or place of service that is just as effective but costs less. We also look to see if you qualify for one of our care management programs. If so, one of our nurses may contact you. Precertification doesn't verify whether you have reached any plan dollar limits or visit maximums for the service requested. So, even if you get approval, the service may not be covered.

No coverage, based on U.S. trade sanctions

If U.S. trade sanctions consider you a "blocked person," the plan can't provide benefits or coverage to you. If you travel to a country sanctioned by the United States, the plan, in most cases, can't provide benefits or coverage to you. Also, if your health care provider is a blocked person or is in a sanctioned country, we can't pay for services from that provider. For example, if you receive care while traveling in another country and the health care provider is a blocked person or is in a sanctioned country, the plan can't pay for those services. For more information, visit Treasury.gov/resource-center/sanctions/pages/default.aspx to read about U.S. trade sanctions.

Coverage for transplants and other complex conditions

Our National Medical Excellence Program® (NME) is for members who need a transplant or have a condition that can only be treated at a certain hospital. You may need to visit an Aetna Institutes of Excellence™ hospital to get coverage for the treatment. Some plans won't cover the service if you don't. We choose hospitals for the NME program based on their expertise and experience with these services. We also follow any state rules when choosing these hospitals.

What does “medically necessary” mean?

It means your doctor ordered a product or service for an important medical reason. It might be to help prevent a disease or condition, or to check to see if you have one. It might also be to treat an injury or illness. The product or service must be ordered by your doctor and:

- Must meet a normal standard for doctors
- Must be the right type, in the right amount, for the right length of time and for the right body part
- Must be known to help the symptom
- Can't be just for the member's or the doctor's convenience
- Can't cost more than another service or product that is just as effective

Only medical professionals can decide if a treatment or service isn't medically necessary. We don't reward our employees for denying coverage. If we deny coverage, we'll send you and your doctor a letter. It'll explain why we denied treatment and how you can appeal the denial.

Clinical policy bulletins

We write a report about a product or service when we decide if it's medically necessary. We call the report a clinical policy bulletin (CPB). CPBs guide us in deciding whether to approve a coverage request. Your plan may not cover everything our CPBs say is medically necessary. Each plan is different, so check your plan documents. CPBs are not meant to advise you or your doctor on your care. Only your doctor can give you advice and treatment. Talk to your doctor about any CPB related to your coverage or condition.

You and your doctor can visit [Aetna.com/health-care-professionals/clinical-policy-bulletins.html](https://www.aetna.com/health-care-professionals/clinical-policy-bulletins.html) to read CPBs. No internet? Call the number on your Aetna member ID card and ask for a copy of a CPB for any product or service.

What to do if you disagree with us

If you disagree with something we've done, you can talk to us on the phone. Or you can mail us a written complaint. The phone number is on your member ID card. The mailing address is:

Aetna
PO Box 14079
Lexington, KY 40512-4079

Still not satisfied?

You can file an appeal

Did we deny your claim? Directions on how to appeal our decision are in:

- The letter we sent you
- The Explanation of Benefits statement that says your claim was denied

The letter we sent you tells you:

- What we need from you
- How soon we will respond

If a denial is based on a medical judgment, you may be able to get an external review if you're not satisfied with your appeal. Some states have their own external review process, and you may need to pay a small filing fee to your state. In other states, external review is available but follows federal rules.

For help or to learn more:

- Go to [USA.gov/state-tribal-governments](https://www.usa.gov/state-tribal-governments) and select your state's website.
- Call the phone number on your member ID card.

You can contact an independent review organization (IRO)

An IRO will assign your case to one of its experts. The expert will be a doctor or other professional who specializes in the area referred to in your case or in your type of appeal. You should have a decision within 45 calendar days of the request. The IRO's decision is final and binding; we will follow its decision and you won't have to pay anything, unless there was a filing fee.

You can get a rush review

If your doctor thinks you cannot wait 45 days, ask for an expedited review. That means we will make our decision as soon as possible.

Member rights and responsibilities

We don't consider race, disability, religion, sex, sexual orientation, health, ethnicity, creed, age or national origin when giving you access to care. Federal law requires network providers to do the same.

Nondiscrimination policy for genetic testing

We don't use the results of genetic testing to discriminate, in any way, against applicants or enrollees. Also, you choose if you want to tell us your race or ethnicity and preferred language. We'll keep that information private. We use it to help us improve your access to health care and to serve you better.

Women's Health and Cancer Rights Act of 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under WHCRA. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications of the mastectomy, including lymphedema

Benefits will be provided to a person who has already undergone a mastectomy as a result of breast cancer while covered under a different health plan. Coverage is provided according to your plan design and is subject to plan limitations, copays, deductibles, coinsurance and referral requirements, if any, as outlined in your plan documents.
