**MinuteClinic® makes it easy for members to get the care they need, when and where they need it.**

Open every day, including evenings. MinuteClinic® offers both walk-in and scheduled appointment options.

MinuteClinic® is a walk-in clinic at select CVS Pharmacy® locations and is the largest provider of retail health care in the United States.

MinuteClinic® health care providers treat a variety of illnesses, injuries and conditions. They can also write prescriptions, when medically appropriate.

\*Includes select MinuteClinic services. Not all MinuteClinic services are covered. Please consult benefit documents to confirm which services are included. Members enrolled in qualified high-deductible health plans must meet their deductible before receiving covered non-preventive MinuteClinic services at no cost-share. However, such services are covered at negotiated contract rates. This benefit is not available in all states and on indemnity plans.

**For your best health, we encourage you to have a relationship with a primary care physician or other doctor. Tell them about your visit to MinuteClinic, or MinuteClinic can send a summary of your visit directly to them.**
